

## Resource Access/Donation Form

The Lifesaving Society Newfoundland and Labrador Branch is researching and archiving its history and would appreciate it if you will share your history of your involvement with the lifesaving society with us. We are searching for material resources from the society over the years, the older the better, to add to our archival collection. These resources can be things like photographs, newspaper clippings, badges, medals, manuals, etc.

If you are willing to share your memorabilia and grant the Lifesaving Society Newfoundland and Labrador Branch access to it, we will arrange to review what you have (as you can appreciate some items might not be suitable for archiving or our specific collection or we may have a similar item already). You can donate the material to us if you are willing, but if not, we will be happy to photograph and document the items.

To share any material, please fill out the following form. The information provided will be kept private and never given to a third party member. We will contact you as soon as possible to arrange a time to review the material. It is appreciated if items such as photographs or badges could be dated with the year they were received and identification provided for individuals or places in photographs, if possible. Thank you.

Name	
Address	
Telephone #	
Email	
Preferred method of contacting you: (letter, telephone call, email, etc)	
Preferred location for reviewing material	
Preferred time for reviewing material (actual time, morning,	

afternoon, evening, etc)	
When were you involved with the Lifesaving Society approximately?	
Are you interested in donating or documenting the material?	
Any other comments/information?
